Executive Director's Message

“

I really believe that only way to be truly successful is to do what you believe is a great work.

Dear Corporate Partners,

Join us on our journey of excellence as we present the talented students of the MBA Batch 2022-24 at BSSS Institute of Advanced Studies. The MBA program focuses on fostering innovative thinking, and leadership, and creating impactful managers. The students have taken advantage of diverse projects and real-world experiences to build a strong foundation for their management careers, including coursework, fieldwork, simulations, guest lectures, and peer interactions. They have also received additional training and development opportunities to increase their marketability. The Institute's goal is to become one of the top business schools in India and we would be honoured to have you be a part of that journey.

We would like to extend an invitation to participate in the Summer Internship selection process for our MBA students. The world-class infrastructure of the institute is equipped with all the necessary resources to support each stage of the Summer Internship selection process. The young managers we are presenting have been well-trained and have a wealth of potential. Your involvement in this process will play a significant role in the Institute's success and we thank you for your continued trust in our program.

Thank you for your trust and faith in our institute.

Dr. Fr. John P.J.
Executive Director

Message from the desk of Registrar

Greetings from BSSS IAS,

We are proud to present the profile of our MBA cohort 2022-24 for the Summer Internship selection process. These young, ambitious individuals embarked on a journey to become successful business managers. Throughout their time of study at the institute, they have been trained and refined their skills through professionally designed assignments and live projects. In addition to acquiring technical knowledge, they have been equipped with strong character and emotional intelligence to handle both professional and personal challenges.

In today's highly competitive world, keeping a cool head is vital, and our curriculum includes high-level skilling relevant to handle all situations in their future career. These students are not only technically sound but also have a disciplined mind with managerial capabilities, essential for effective management. They are eager to join your business team and help drive your company to new heights.

Best regards,

Kuriakose E
Registrar

It is my honour to introduce the students of our MBA cohort 2022-24 at BSSS IAS. Our unique curriculum fosters critical thinking and decision-making skills. Our students receive a comprehensive education that includes academic rigour, exposure to industry practices through various committees and clubs, and classroom engagement with high-calibre faculty. Our tight-knit learning environment and close ties with the industry prepare our graduates to be not only industry-ready but also capable of making a lasting impact.

As the Chairperson of the Placement Committee, I am proud to introduce a diverse group of well-rounded students. I extend a warm invitation for you to visit BSSS IAS and engage with us. We look forward to a productive partnership with your esteemed organization.

Dr Jessy John
HoD & Chairperson- Placement

About the Institute

BSSS Institute of Advanced Studies, Bhopal is one of the best Management institutions in Central India promoted by the Archdiocese of Bhopal. Since its establishment, BSSS IAS has been home to one of the brightest young minds in the profession, who are continually increasing the standard of excellence. The BSSS IAS Curriculum includes all management subjects as well as various industry-oriented subjects imparted through add-on courses: Post Graduate Diploma Programme in Managerial Capacity Building consisting of subjects like HR Analytics, Business Analytics, Advanced Excel, NSDC Programmes, NISM and many more. The outcome-based curriculum of our programme is based on industry-oriented best global practices. BSSS IAS creates managers capable of moving beyond the triple bottom line idea to be socially responsible professionals in the industry.

Vision

"To be recognized globally as a premier Management Institution fostering progressive and sustainable growth of the society".

Mission

- To provide quality management education through application-oriented, technology-driven training & research.
- To encourage learning habits and propagate adaptable management knowledge of global standards.
- To prepare socially responsible managers with a vision to ensure sustainable resource development through inclusive growth.
- To nurture critical & innovative thinking for developing entrepreneurs.
- To create and maintain a research culture to promote interdisciplinary research and collaborative consultancies with national and international stakeholders

Culture

The BSSS IAS is a student-driven campus and believes in instilling in its students the zeal for self-learning, management acumen, and problem-solving ability through various clubs and committees functioning in the campus. These avenues give the students a first-hand experience of the professional world and ready them for the same by enhancing their knowledge, and instilling innovation and networking skills which will ultimately help students to sharpen their abilities to emerge as value-based leaders with multifaceted perspectives.

Selection Process

Each batch is selected through an extremely stringent selection process, consisting of several filters to get the best minds in the country. The students are selected based on the following National Admission tests:

- ✓ MAT / CAT / CMAT / XAT / ATMA (AIMS) through DTE.
- ✓ BSSS IAS Student Personal Interaction (SPI) consisting of Aptitude test, Group Discussion and Personal Interview.

Knowledge Capital

The excellent mix of highly qualified faculty and up-to-date course content ensures that BSSS IASians are craved as young managers who are capable to handle multidimensional roles in varied career trajectories. The course framework follows a unique pedagogy that includes case analysis, live projects, presentations and lectures by industrial experts with special emphasis on social ethics and sustainable development.

WHY BSSS IAS

Practical Exposure and Industry Relations

The MBA Program offers one of its kind experiences to the students by following an innovative pedagogy. It is a perfect balance of interactive and engaging classroom teaching which employs case study methods, group assignments and presentations. The curriculum is a good combination of summer internship, fieldwork and industry project work segment, equipping students with conceptual skills and practical knowledge. The focus is on readying a holistic manager with a vision to promote and employ a triple bottom line in his/her dealings and transactions. Students at BSSS IAS undergo training and mentoring under the expertise of industry leaders and multi-disciplinary faculty members and the knowledge acquired from Add-on courses helps in inculcating a sense of social ethics along with developing business acumen.

Postgraduate Programme in Managerial Capacity-Building

The postgraduate Programme in Managerial Capacity Building (PGP-MCB) is initiated by the institute after analyzing the skills and competencies expected by the corporates from new age managers based on the insights received from them, as an add-on course to the MBA students. The PGP programme consists of courses which are skill-based in alignment with the industry needs. The course structure is designed with an international credit-based grading system to ensure that the student's are accepted at the international level.

INSTITUTE ACTIVITIES

Consultancy

The faculty at BSSS IAS possess extensive knowledge across multiple disciplines, making them eminently qualified to provide advisory services in various fields. Their expertise in human resource management, financial management, and SPSS and analytics is unparalleled. Their in-depth understanding of these areas, combined with their experience, enables them to provide valuable guidance and support to students and professionals alike. Whether it's providing training, consulting, or simply offering advice, the faculty of BSSS IAS is dedicated to helping others succeed. They bring a wealth of knowledge and practical experience to their teaching and advisory roles and are committed to helping students and clients reach their goals.

Executive Development Programmes

The institute is in the pursuit of providing the best training to managers, entrepreneurs, and policymakers from various government, nongovernment, and industries in India with a variety of action-oriented EDPs.

The main objective of BSSS IAS is to meet the growing demand for individuals with both managerial and analytical skills in the fields of business management and development management. To achieve this objective, the institute strives to continuously update the knowledge and managerial skills of working professionals in various areas through short-term management development and executive management programs. These programs are designed to help professionals to stay updated with the latest industry trends and advancements, ensuring that they are equipped with the knowledge and skills they need to succeed in their careers. By offering a range of educational and training opportunities to BSSS IAS is dedicated to helping individuals reach their full potential and succeed in their careers.

National Institute of Excellence with International Perspective

BSSS IAS is committed to a constant pursuit of academic and professional excellence in order to effectively serve national interests. At the same time, the institute incorporates international perspectives in its academic functions, providing students with a well-rounded education that prepares them to succeed in a globalized world. The goal is to provide students with the knowledge and skills they need to make a positive impact in their communities and in their careers and to prepare them to meet the challenges of a rapidly changing world. By staying at the forefront of academic and professional excellence, BSSS IAS is dedicated to providing transformational educational experience that prepares its students to make a positive impact in their communities in the world at large.

International and National Collaborations

In addition to its core academic offerings, BSSS IAS regularly participates in various national and international level activities such as conferences and symposia. This allows the institute to stay connected with the wider academic and professional community, and to share its knowledge and expertise with others. To further enhance its educational offerings, BSSS IAS has signed memorandums of understanding (MoUs) with several esteemed institutions. For example, the institute has signed an MoU with Assumption University, Thailand to initiate an executive-level program; MS in Management. Additionally, BSSS IAS has signed an MoU with Synergy University in Moscow, Russia for academic collaboration and the exchange of faculty and students. These partnerships allow BSSS IAS to broaden its reach and offer its students and faculty new opportunities for growth and collaboration.

Campus

The Institute has a sprawling lush green campus located in the Central place of Bhopal city. The building complex includes the Academic-Complex, Library, Computer Centre, Hostel, Fully Air-Conditioned Cafeteria, Administration and Accounts wings. The Academic Complex includes fully air-conditioned hi-tech classrooms, Seminar Halls equipped with video conferencing facilities and a Faculty Block. This world-class infrastructure provides an environment conducive to academic activities, professional deliberations and social interactions. The multidisciplinary faculty at BSSS IAS holds a strong portfolio of national and international consultations enabling the Institute to emerge as the best training Institute in Central India.

Library

It is the heart of the institution and is the Centre for the collection of literature predominantly related to Management, Marketing, Finance, Human Resource Management, Business Analytics, Banking and its allied areas. The library has developed a comprehensive collection of information that is useful for teaching and research. The Institute built up an exceptionally rich library, well stocked with Indian and foreign books & periodicals for different academic streams. The institute subscribes to a large number of professional journals and periodicals and audio-video media. The library is constantly updated and expanded to meet the specialized needs of various management programmes. The present collection includes 4000+ Books & Journals.

Computer Lab

BSSS IAS is well-equipped with modern hardware and software, staffed by highly qualified personnel. The institute provides students with access to an extensive ultra-high-speed internet bandwidth, enabling them to fully utilize the facilities available on campus. In addition to traditional computer labs, BSSS IAS also offers a language lab facility, providing students with a platform to learn new languages. The library is computerized and equipped with resources such as DELNET and ProQuest, allowing students to access a wealth of information and research materials. These state-of-the-art facilities and resources provide students with the tools they need to succeed academically and professionally.

Communication Lab

In order to place a special focus on English speaking and training, BSSS IAS has a communication lab attached to the computer lab. This lab is designed to increase the language proficiency of students, helping them to develop the communication skills they need to succeed in their careers. The communication lab acts as a supplementary resource, facilitating classroom training and allowing students to practice and refine their language skills in a supportive environment. With its state-of-the-art facilities and qualified staff, the communication lab at BSSS IAS provides students with the resources they need to become confident and effective communicators.

Newsletter Manthan

The Institute publishes a quarterly newsletter by the name 'Manthan', which provides the platform for the students to express their managerial thought processes to the outside world. The creativity and innovation of the students are penned down in each volume of the newsletter. It also acts as the mirror of all the academic activities, and academic progress that is taking place within the institute. Contemporary management-related concepts and issues are also covered in each volume to consolidate the thought process across the corporate segments.

CORNERSTONE OF BSSS IAS PHILOSOPHY PEDAGOGY

Rural Immersion Programme

The 10-day Rural Immersion Programme in the First Semester is an essential part of the curriculum at BSSS IAS. This provides students with an opportunity to gain hands-on experience and develop a deeper understanding of rural livelihoods and the impact of various government programme and policies. The aim of the programme is to help students build key skills and develop their character, preparing them to find a balance between business and sustainability. By participating in this programme, students are able to gain a first-hand understanding of the challenges faced by rural communities and to observe the impact of development initiatives at the grassroots level. This valuable experience helps students to develop a wholistic understanding of the complex interplay between business and society, and prepares them to be responsible and effective leaders in their careers.

Summer Internship Programme

The BSSS IAS Summer Internship programme is a unique programme that offers students the opportunity to gain valuable industry experience. The programme provides students with the chance to work with organizations on real-time projects, giving them the opportunity to put their skills and knowledge into practice and make a meaningful contribution to the companies they work with. This programme is an important part of the BSSS IAS curriculum, providing students with practical experience and helping them to build a strong network of professional contacts. Whether they are working on a research project, supporting marketing efforts, or assisting with operational tasks, students are able to gain hands-on experience and develop the skills they need to succeed in their careers and to build their professional portfolios.

CLUB ACTIVITIES

Nature Club

Nature Club work tirelessly to add up its contribution to improve the challenging environmental conditions. The coordinators and club members have to undertake various environmental friendly activities like tree plantation, campaigns against noise and air pollution and awareness campaigns amongst the society like "Reduce, Reuse and Recycle", "Swachh Bharath Abhiyan" and "Save Water"

Chalchitra Vishleshan Club

The Chalchitra Vishleshan Club aims to cultivate an interest in identifying management issues and to offer platform to undertake student panel discussions and reviews, invite personalities from entertainment industries, and participate in film festivals, etc. to inculcate critical and creative thinking in students.

Sports Club

Sports Club is formed to provide opportunities for students to participate in a variety of sports and physical fitness and recreational activities. This club organises all the sports events - the major one being the "HIT Championship League", a 3 days sports tournament.

Art 'n' Soul Club

This club organises all the cultural activities of the institute including plays, dramas, music, etc. At the club, students get an opportunity to display their talent and aspire to cultivate an interest in various genres of arts. The club conducts workshops on music and invites students to explore their talent in cultural celebrations, college fests, seminars and other activities.

Brand Mantra Club

Brand Mantra Club was formed with the purpose of supplementing classroom learning with knowledge sharing and practical experience. It is the testing and learning ground for all the marketing enthusiasts at BSSS IAS. The club tries to analyse the marketing strategies of many successful MNCs in various domains and use these learnings to solve real life problems. The club also organises guest lectures by leaders in marketing areas and organises various marketing competitions like branding, Ad war events, case study analysis, etc.

The Thinking Hats Club

Thinking Hats club is a platform run by BSSS IAS students to encourage everyone to think out of the box. The club provides a platform to all budding managers to ideate new business opportunities through workshops, guest lectures, brainstorming, discussion and mentorship. It provide an avenue to look for solutions beyond the predictable.

The FIN WIN Club

The FIN WIN Club aims to promote and boost interest in the area of finance and related activities and careers among the students community. It will serve the students by providing them with a professional, social and educational focus through seminars, guest lectures, workshop and simulation games like mock trading.

Biz Wiz Club

The club's focus lies on business quizzing. The club acts as a window to the business world, its current affairs, history, origins, and if one can extrapolate, one will get a glimpse of what makes great companies 'great'. The club prepares students for various intercollege and corporate competitions.

The Chanakya Club

The Chanakya Club aim to inculcate strategic thinking and help students develop analytical & consultative skills. Team Chanakya as we call it, is the mastermind behind quantifying managerial aptitude of BSSS IAS students. The core of the club lies in extracting strategic thoughts from the students through interactive case studies and live discussions in the class.

The HR Club

HR Club focuses on issues related to Organisational Management. Club undertake various case studies, wherein the students study various organisations thoroughly, who then share their learning through interactive presentations with the entire student body. Apart from this, the club also undertake activities like Team Building games and Personality Analysis of the students thus enabling Organisational Learning over individual learning.

HR CONCLAVE '22

BSSS IAS organized two days HR Conclave on the theme “Re-engineering and re-humanizing the workforce for a resilient future” from 9th to 10th December 2022. The objective of the conclave was to create a platform to deliberate on the strategies to manage the highly dynamic new-age managers.

HR Conclave provided a platform to the participating students from the various colleges of Madhya Pradesh to learn from around 35 business leaders belonging to diversified sectors. PAN India level expert panel shared their knowledge and provided their insights regarding various sub-themes of the conclave like “Developing power skills for creating resilient and agile managers”, “From Kaizen to

Reengineering the evolving HR arena”, “Upskilling HR for workforce transformation” and “Building high-performance teams”. The mega event brought together eminent professionals from the industry across India and students from different colleges of Madhya Pradesh. These discussions helped to bridge the gap between industry and academia, and provided students with practical, actionable advice that they can apply to their own careers.

CORPORATE TESTIMONIALS

We look forward to BSSS IAS to produce managers with excellence, who will be valued by industries and will be an asset for the society and nation. All the best!

**Mr. Axay Saxena (Head-HR & IR,
HEG Limited)**

BSSS IAS is making great efforts which will help students a lot in the long run and we are happy to be a part of it.

**-Mr. Ankit Thakur (Founder,

Training and Placement

Training and Placements are the vital components of the MBA Programmes offered at BSSS- IAS. These activities are organized by the Industry Interaction Centre (IIC) consisting of a Chairperson - Placement, Placement Officer, Manager-Corporate Relations and student representatives. Training is imparted in two phases comprising industrial internships, live project assignments and 'Placeability Enhancement Training' in each semester. Soft skills development activities are organized on a regular basis by external experts and in-house faculty members. To increase the placeability of the students, we also offer add-on certification programmes like NISM, and NSDC Programmes along with PGP in Managerial Capacity building.

Summer Internship Selection Process

BSSS IAS plays an active role in bridging the gap between education and corporates by providing opportunities for interaction between students and industry representatives. The Summer Internship selection process is initiated by inviting companies to participate and express their requirements. A Summer Internship schedule is then created, and job descriptions are notified to interested students. The CVs of these students are then forwarded to the participating companies. Before the selection process, the companies are asked to give a Pre-Placement Talk (PPT), which provides students with an understanding of the company profile and internship requirements and also serves as a platform to gauge the expectations and desires of the students. After successfully completing the selection process, students are offered internships with the participating companies.

BATCH SUMMARY

Course Structure

MBA (FT) / MBA (Finance) / MBA (Marketing)
